THE SOCIAL REGISTER is issued in November, February, May and August. It records the names and addresses of the several members of prominent families grouped together, with their club membership. Marriages, deaths and European arrivals and departures are mentioned as they occur.

The November issue is the Winter number. Those of February and May are for additional names, changes, etc., that have happened during the previous three months. The August number gives the country and summer residences of the Boston, New York, Philadelphia, Chicago, and Baltimore families embraced in the one issue.

The subscription for either the Boston, New York, Philadelphia, Chicago or Baltimore SOCIAL REGISTER, issued quarterly, is $5.00 per annum.

A subscription of $10.00 will include all the issues for Boston, New York, Philadelphia, Chicago and Baltimore.

There will be found at the end of this volume under the title "Married Maidens," an alphabetical list of the maiden names of married women, for convenient reference and also an alphabetical index of the marriages and deaths of the past year.

At the back of the New York issue will be found the names, titles and addresses of the Diplomatic Corps at Washington, and also the names, location and officers of all the Golf Clubs in the U. S. Golfing Association.
